CS 440 Meeting Minutes

Group: 4 | **Date**: March 06, 2021 | **Time**: 8:00 PM | **Duration**: 0hr 45mins

Present (On Time): Ayna Jain, Akshant Jain, Shaan Shekhar, Tirth Patel

Present (Not On Time): N/A;

Absent: N/A

Synopsis:
- Discuss the new elements and user interface and the changes required.
- Discuss the work to be done by the end of mid week and next weekend.

Recent Individual Accomplishments:
- Ayna, Tirth and Shaan collaborated together to make front-end prototype changes discussed in the last meeting.
- Akshant finished back-end initialization and started working on integration of back-end database, authentication with the front-end

Current Individual Activities:
- Akshant will start the integration of the back-end database interaction with the front end.
- Ayna will start working on a chat interface for the application.
- Tirth and Shaan will work on front-end and add new features to it.

Individual Action Items:
- Shaan will integrate the front-end with new buttons and git section of the website.
- Tirth will create new forms, modals, and pop-up boxes for the project and dashboard section.
- Ayna will implement the firebase chat application through a new provider due to firebase hosting problems with the last version.
- Akshant will test the database functions like creating new projects, issues etc.
