CS 440 Meeting Minutes

Group: 4 | **Date**: February 27, 2021 | **Time**: 8:00 PM | **Duration**: 1hr 00mins

Present (On Time): Ayna Jain, Akshant Jain, Shaan Shekhar, Tirth Patel

Present (Not On Time): N/A;

Absent: N/A

Synopsis:
- Discuss second scenario ideas.
- Discuss prototypes and changes required.
- Discuss the work to be done by the end of next week.

Recent Individual Accomplishments:
- Ayna implemented chat features.
- Shaan worked on the dashboard settings tab.
- Akshant worked on the back-end and database initialization
- Tirth collaborated with Ayna and Shaan and helped them in their activities

Current Individual Activities:
- Akshant is working on database connection with the backend and then front end.
- Ayna is working on integrating the chat feature into the product which currently works separately from the main project.
- Tirth and Shaan are working on improving UI elements and implementing new features in the dashboard section such as various menu items on the setting tab.

Individual Action Items:
- Shaan will complete settings and profile page and start working on other dashboard elements.
- Tirth will work on the search bar recommendation dropdown which will allow the user to open different items on the product by searching it.
- Ayna will start implementing the chat backup feature using MongoDB and Postman.
- Akshant will work on the firebase and the gather project as well.
